

Thank you for visiting our website to learn more about our senior softball league. We are a recreational senior softball league that plays on the historic Cherry Valley diamond in downtown Cherry Valley, Illinois. We offer a Monday morning league with games starting at 9am. Tuesday night there is a 55+ league starting at 5:30pm. Thursday same as Monday starting at 9am. Games last about an hour. You sign up for the league as an individual starting in early February. A member of the ratings committee will give you a call to talk about your skill level to establish a rating for the draft. Signup period ends on March 19. Current players volunteer to manage the teams, and the draft will be held on April 15. Check out our 2026 Softball Rules that are unique to our league, on this website. The goal is to have as evenly matched teams as possible. Our aim is fair play, good sportsmanship and to have fun. Games will start in the first week of May. Please click on the 2026 application and waiver, fill them out and mail them in. And remember that we don't care if you can't play at the same skill level you did years ago, we just want you to join us, have fun and play ball!
